

Appln. No. 10/645,432

Amendment dated November 18, 2004

Reply to Notice of Drawing Inconsistency mailed November 5, 2004

REMARKS

Consideration of the following is respectfully requested.

No changes have been made to any of the claims by this Amendment.

Response to the "Notice of Drawing Inconsistency With Specification" mailed November 5, 2004 for this patent application, the above amendments to the Specification of the application add descriptive language regarding Figures 8 and 9 to the "Brief Description of the Drawings" of the application. This is submitted to conform this section of the specification to the drawing figures submitted with the original filing of the patent application.

In light of the foregoing amendments and remarks, early consideration and approval and entry of the requested amendments to the specification of the application are most courteously solicited.

Respectfully submitted,

Respectfully submitted,
